Revision History Version No	Date Approved by the Board 24 October 2007

1. POLICY APPLICATION

- 1.1 The Company has adopted this Policy governing trading in the Company's financial products by all Persons (as defined in the Policy) being the directors of the Company as well as relevant senior employees of the Company who have been notified that this Policy applies to them.
- 1.2 The purpose of this Policy is to raise awareness of insider trading rules, and of the fact that trading must not proceed without prior notification and clearance.

Defined terms are contained in clause 24 of this Policy.

2. INSIDE INFORMATION

- 2.1 Inside information means information which:
 - 2.1.1 is price sensitive information;
 - 2.1.2 is not generally available; and
 - 2.1.3 if the information were generally available, a reasonable person would expect it to have a material effect on the price or value of financial products of the Company or a Related Entity.

3. EXAMPLES OF INSIDE INFORMATION

- 3.1 Inside information includes (without limitation):
 - 3.1.1 the financial performance of the Company against its budget;
 - 3.1.2 a possible change in the strategic direction of the Company;
 - 3.1.3 a possible acquisition or sale of any assets or Company by the Company;
 - 3.1.4 a possible change in the Company's capital structure;
 - 3.1.5 a proposed dividend;

- 3.1.6 senior management changes; or
- 3.1.7 any possible claim against the Company or other unexpected liability.

4. GENERAL PROHIBITIONS

If a person possesses inside information concerning the financial products of the Company, they must not:

- 4.1 trade in the financial products of the Company or enter into an agreement to do so;
- 4.2 procure another person to do anything specified in paragraph 4.1; and
- 4.3 pass on that information to anyone who is likely to engage in the activities specified in paragraphs 4.1 or 4.2.

These general prohibitions are overriding obligations and apply at all times, despite all other terms of this Policy.

5. TRADING IN FINANCIAL PRODUCTS

In addition to the general prohibitions, to avoid any adverse inference being drawn of unfair dealing, a Person must not trade in the Company's or a Related Entity's financial products during a Proscribed Period.

5.1 Proscribed Period

A Proscribed Period is the period during the month immediately before:

- 5.1.1 the release of the Company's half yearly or yearly results; or
- 5.1.2 the Annual General Meeting when it is customary for the Chairman to provide further information about the Company's current performance.
- 5.1.3 any period when there exists any matter which constitutes inside information in relation to the financial products of the Company or a Related Entity (whether or not the Person has knowledge of such matter) and (in respect of the Company) the proposed trading would (if permitted) take place after the time when it has become reasonably probable that an announcement will be required in relation to that matter; and
- 5.1.4 any period when the Trading Officer otherwise has reason to believe that the proposed trading is in breach of this Policy.

6. CONSENT TO TRADE

- 6.1 Despite any other provision of this Policy, a Person must not trade in any financial products of the Company or a Related Entity without first advising the Trading Officer in advance of their intention to do so.
- 6.2 A Person must not trade in the Company's financial products unless the Trading Officer has indicated that there is no objection under this Policy to the proposed transaction.
- 6.3 The Trading Officer shall not provide consent for a Person to trade without advising the Board in advance and receiving consent from the Board.

- 6.4 The Person conducting the trade must notify the Trading Officer immediately after the transaction has taken place.
- 6.5 If a director trades in the Company's financial products, then the Company must advise ASX within five (5) business days, in accordance with the Corporations Act and the ASX Listing Rules.

7. TRADING OF A SHORT TERM NATURE

A Person must not trade in any financial products of the Company on considerations of a short-term nature. A Person must take reasonable steps to prevent any trading by or on behalf of any Related Person in any financial products of the Company on considerations of a short term nature. Accordingly, trading in financial products issued by the Company within a six (6) month period of acquisition is prohibited.

8. TRADING IN EXCEPTIONAL CIRCUMSTANCES

- 8.1 In exceptional circumstances, where it is the only reasonable course of action available to a Person, consent may be given for the Person to sell (but not to purchase) financial products when he/she would otherwise be prohibited from doing so. An example of the type of circumstance would be a pressing financial commitment on the part of the Person, that cannot otherwise be satisfied. The determination of whether circumstances are exceptional for this purpose will be made by the Trading Officer.
- 8.2 Any such consent must be obtained in advance. It cannot be given after the event.
- 8.3 The Person seeking the consent to trade due to exceptional circumstances is still subject to the requirements of paragraph 6.1.
- 8.4 This exception will never apply should the Person seeking exception possess inside information.

9. PERSON ACTING AS TRUSTEE

Where a Person is a sole trustee (other than a bare trustee), the provisions of this Policy will apply, as if he/she were trading on his/her own account. Where a Person is a co-trustee (other than a bare trustee), he/she must advise his co-trustees of the name of the listed companies of which he/she is a director. If the Person is not a beneficiary, trading in financial products of the Company or a Related Entity undertaken by that trust will not be regarded as trading by the Person for the purposes of this Policy where the decision to trade is taken by the other trustees acting independently of the Person or by investment managers on behalf of the trustees. The other trustees or the investment managers will be assumed to have acted independently of the Person for this purpose where they:

- 9.1 have taken the decision to trade without consultation with, or other involvement of, the Person concerned; or
- 9.2 if they have delegated the decision making to a committee of which the Person is not a member.

10. TRADING BY RELATED PERSONS AND INVESTMENT MANAGERS

A Person must (so far as is consistent with his/her duties of confidentiality to the Company) seek to prohibit any trading in financial products of the Company or a Related Entity during a Proscribed Period or at a time when the Person is in possession of inside information in relation to those financial products and would be prohibited from trading under clause 5 of this Policy:

- 10.1 by or on behalf of any Related Person;
- 10.2 by an investment manager on his/her behalf or on behalf of any person connected with him/her where either he/she or any person connected with him/her has funds under management with that investment manager, whether or not discretionary (save as provided in clause 9 of this Policy).

11. **ADVICE TO RELATED PERSONS & INVESTMENT MANAGERS**

For the purposes of clause 10 of this Policy, a Person must advise all such Related Persons and investment managers:

- 11.1 of the names of the listed companies of which he/she is a director;
- 11.2 of the Proscribed Periods during which they cannot trade in the financial products of the Company or a Related Entity;
- 11.3 of any other periods when the Person knows he/she is not free to trade in financial products of the Company or a Related Entity under the provisions of this Policy unless his/her duty of confidentiality to the relevant company prohibits him/her from disclosing such periods; and
- 11.4 that the Related Person or investment manager must advise the Person immediately after they have traded financial products of the Company or a Related Entity.

12. **SPECIAL CIRCUMSTANCES**

- 12.1 The grant of options by the board of directors of the Company under an employees' share scheme to individuals who are not directors may be permitted during a Proscribed Period if such grant could not reasonably be made at another time and failure to make the grant would be likely to indicate that the relevant company was in a Proscribed Period.
- 12.2 Subject to clause 12.3 below, the award of financial products, the grant of options and the grant of rights (or other interests) to acquire financial products by the Company to directors and/or relevant employees of the relevant company is permitted during a Proscribed Period if:
 - 12.2.1 the award or grant is made under the terms of an employees' share scheme;
 - 12.2.2 the terms of such employees' share scheme set out:
 - (a) the timing of the award or grant, and such terms have either:
 - (i) previously been approved by shareholders or summarised or described in a document sent to shareholders, or
 - (ii) are in accordance with the timing of previous awards of grants under the scheme; and
 - (b) the amount or value of the award or grant or the basis on which the amount or value of the award or grant is calculated; and
 - (c) the failure to make the award or grant would be likely to indicate that the relevant company is in a Proscribed Period.

12.3 The following examples of trading are not covered by clause 12.2 and are consequently subject to the provisions of this Policy:

12.3.1 a discretionary award or grant under an employees' share scheme which would not otherwise have been made but for the event that led to the commencement of the Proscribed Period; and

12.3.2 an award or grant under an employees' share scheme which is made in a Proscribed Period during which the relevant scheme was introduced, or in the case of an existing scheme, the relevant scheme was amended.

13. EXERCISE AND TRADING OF OPTIONS AND OTHER RIGHTS

13.1 A Person must not buy in respect of the Company's financial products which consist of or include:

13.1.1 a right to call for delivery at a specified price and within a specified time of a specified number of shares or specified amount of debentures; or

13.1.2 a right to make delivery at a specified price and within a specified time of a specified number of shares or specified amount of debentures; or

13.1.3 a right (at the holders election) to call for delivery at a specified price and within a specified time or to make delivery at a specified price and within a specified time of a specified number of shares or specified amount of debentures.

13.2 The Chairman of the Risk Management and Audit Committee may allow the exercise of an option or right under an employees' share scheme, or the conversion of a convertible security, where the final date for the exercise of such option or right, or conversion of such security, falls during any Proscribed Period and the Person could not reasonably have been expected to exercise it at an earlier time when he was free to trade.

14. SALE OF FINANCIAL PRODUCTS AFTER EXERCISE OR CONVERSION

Where an exercise or conversion is permitted pursuant to this Policy, the Chairman of the Risk Management and Audit Committee may not, however, give consent for the sale of financial products acquired pursuant to such exercise or conversion unless otherwise permitted by the Policy.

15. QUALIFICATION SHARES

The Company Secretary may allow a director to acquire qualification shares without regard to the provisions of this Policy where, under the Constitution of the Company, the final date for acquiring such shares falls during a Proscribed Period and the director could not reasonably have been expected to acquire those shares at another time.

16. SAVINGS AND DIVIDEND INVESTMENT SCHEMES

A Person may enter into a scheme in which only the financial products of the Company are purchased pursuant to a regular standing order or direct debit or by regular deduction from the Person's salary, or where such financial products are acquired by way of a standing election to re-invest dividends or other distributions received, or are acquired as part payment of a Person's remuneration without regard to the provisions of the Policy, if the following provisions are complied with:

- 16.1 the Person does not enter into the scheme during a Proscribed Period, unless the scheme involves the part payment of remuneration in the form of financial products and is entered into upon the Person's employment;
- 16.2 the Person does not carry out the first purchase of financial products in the Company under the scheme during a Proscribed Period, unless the Person is irrevocably bound under the terms of the scheme to carry out the first purchase of financial products at a fixed point in time which falls in a Proscribed Period;
- 16.3 the Person does not cancel or vary the terms of his/her participation, or carry out sales of the financial products in the Company within the scheme, during a Proscribed Period; and
- 16.4 before entering into the scheme or cancelling the scheme or varying the terms of his/her participation or carrying out sales of the financial products of the Company within the scheme, the Person obtains consent in accordance with this Policy.

17. EXCEPTION TO THE POLICY

The provisions of this Policy do not apply to an investment by a Person in a scheme or arrangement where the assets of the scheme or arrangement are invested at the discretion of a third party or to trading by the Person in the units of an authorised unit trust or in shares in an investment company. In the case of a scheme investing only in the financial products of the Company, the provisions of clause 16 of this Policy apply.

18. GUIDANCE ON OTHER TRADING

For the avoidance of doubt, and subject to the specific exceptions set out in clause 19 below, the following constitute trading for the purposes of this Policy and are consequently subject to the provisions of this Policy:

- 18.1 trading between directors and/or relevant employees of the Company;
- 18.2 off-market trading;
- 18.3 transfers for no consideration by a Person other than transfers where the Person retains a beneficial interest;
- 18.4 entering into, or terminating, assigning or novating any stock lending agreement in respect of financial products of the Company or a Related Entity;
- 18.5 using as security, or otherwise granting a charge, lien or other encumbrance over, financial products of the Company or a Related Entity; and
- 18.6 any transaction, or the exercise of any power or discretion, effecting a change in the ownership of a beneficial interest in the financial products of the Company or a Related Entity.

19. TRADING NOT SUBJECT TO THE PROVISIONS OF THIS POLICY

For the avoidance of doubt, and notwithstanding the definition of trading contained in clause 23.13 of this Policy, the following examples of trading in respect of the Company or a Related Entity are not subject to the provisions of this Policy:

- 19.1 undertakings or elections to take up entitlements under a rights issue or other offer (including an offer of shares in lieu of a cash dividend);

- 19.2 the take up of entitlements under a rights issue or other offer (including an offer of shares in lieu of a cash dividend);
- 19.3 allowing entitlements to lapse under a rights issue or other offer (including an offer of shares in lieu of a cash dividend);

 - 19.6.2 release of shares from a profit sharing scheme;
- 19.7 the cancellation or surrender of an option under an employees' share scheme;
- 19.8 the purchase of financial products or the communication of information pursuant to a requirement imposed by law;

22. CONFIDENTIAL INFORMATION

- 22.1 Persons should treat all sensitive, non-public information about the Company as confidential and exclusive to the Company.
- 22.2 Persons may not disclose such information to any other person (including, without limitation, family members, relatives, business or social acquaintances) who do not have a legitimate need for such information for business reasons.
- 22.3 Persons must treat all information about the Company carefully and avoid inadvertent or indirect disclosure of it.
- 22.4 Within the Company, confidential information should be distributed to or discussed with others only on a need to know basis, and those people should be told that the information is confidential.
- 22.5 Persons must ensure that conversations are not overheard in elevators, aeroplanes or other public places, that confidential documents are not left on conference tables,

desks or otherwise unguarded and that necessary steps are taken to keep confidential information from being disclosed.

23. BREACH

- 23.1 Strict compliance with this Policy is mandatory for all Persons.
- 23.2 Contravention of the Corporations Act is a serious matter which may result in criminal or civil liability.
- 23.3 In addition, breaches of this Policy may damage the reputation of the Company and undermine confidence in the market for financial products of the Company.
